Mitton's In Touch Update

Mission Globale in Montreal, Quebec was a true inspiration to Kim & I as we met many 20-30 year olds and had a few very long talks with those who desperately want to use their gifts and talents in a cross-cultural environment.

≥ **Pray for 2 couples in particular who finish university next year and are seeking a short term engineering and medical post.**

Without a doubt the highlight of that weekend was meeting a Beninese Pastor and his wife who have started up an African church in Montreal, Quebec and organize yearly trips to the north of Benin to evangelize a predominantly Muslim people group and offer humanitarian aid in the form of school books, school uniforms, and help out with a local orphanage. Their group is called 'ANAYI'.... which means, in the Fon language, the bridge to one's heart or spirit.

≥ **Pray for Jules as he seeks those who will travel to Benin with him from July 28-August 11/09. He is looking for those who want to work in a team concept, who come with a recommendation from their Pastor and who have a burden to love others at any cost.**

For the past 2 months we have been travelling to supporting churches and simply sharing from our heart what God is doing in Benin. It has been SO good seeing old friends and meeting those who are interested in Missions in general. Thanks for your prayers as we have found new prayer partners and one new family who wants to support us financially on a monthly basis. PTL! Our monthly shortfall is now down to only \$1,470.00. Let's pray in the remaining funds!

Already we see the necessity to have a used 2nd car so that when Brian travels alone to conferences Kim is not left without wheels. Please feel free to contact us if you know of anyone who wishes to sell or give away a good used car. Thanks! God is stretching us in many areas of our life, yet we stand firm due to your timely prayers! Keep connected!

≥ **Pray for Jonathan as he seeks to be a witness where he works. Pray for Nicholas as he is still a bit nervous at school ... yet he made the schools' Honor Roll. Pray for Eric as he struggles in Math, yet is doing well socially. Pray for Kim & I as we visit our supporters and are in contact with our SIM Québec Director with regards to our new role in Québec come March 2009.**

If ever you are in our neck of the woods, then plan to stay with us. Until next time Brian & Kim & The Boys
