Passionate About Jesus

**“I count all things to be loss in view
of the surpassing value of knowing Christ .”**

It was a cold and windy night as the choir sang with such zeal and vigor the song, “In Christ Alone”! You could tell by the smile on their faces and the intensity in their voices that they were passionate about what they were doing!

That night was a totally awesome night for us as we shared this “Bethlehem” experience with the kids and parents from the Monday night club, as well as those from our home church. It has helped Kim & I refocus our priorities on what really counts in life... at Christmas time and all year round... to have a deeper & more consistent *passion for Christ*.

Three weeks earlier we spoke in a daycare centre where a new *French church-plant* meets every Sunday morning. Right from the get go we sensed that this group of 40 Quebecois were joyfully focused on Christ, as it was evident in their singing, the way they greeted strangers and the pride they took in setting up & taking down their “church”!

God is opening up for us exceptional ministries like knitting classes, a possible intercultural youth café with a Haitian pastor, men’s discipleship groups, coaching/mentoring a bilingual Bible college interim, speaking at men's retreats, men’s breakfast gatherings & couples groups, and intentionally loving our neighbors... we need an *undivided heart* for Christ.

God has blessed us with 3 budding young men. Pray for Eric & Nicholas as they finish off assignments this week, for Jonathan as he heads down to St. Louis, Missouri for Urbana 2009 and for Kim & I to be driven & controlled by God’s values in 2010!

🕯️ MERRY CHRISTMAS FROM QUEBEC 🕯️

“Give me an undivided heart, that I may be in awe of your name, Lord.” (A passionate prayer for Gods' help).
