**“ For You are my hope; O Lord, You are my confidence from my Youth.”
(Ps. 71:5)**

Youth has been the “buzz” word in our house these past few weeks. Let me introduce you to the 5th man in our home! François is the guy in the picture with his arms crossed in the red t-shirt. He is an interim at our church in his final year at New Brunswick Bible Institute. He is totally bi-lingual and is from Drummondville, QC. He will stay with us until mid- March before moving on to someone else's house in our church. A few weeks ago we had the youth at our house and Francois shared his desire to eventually serve God in the south of France amongst Mus*lims.

François has a desire to see youth committed to God's Word, embracing Christian values and a heart for the lost. Today those principles are not too popular. Teen retreats are instrumental in helping to accomplish this task. *Pray for François, Brian, & our Pastor as they cram nine teens from the church into their cars and head East to New Brunswick Bible Institute for a teens rally (Feb.19-21/10)! More than 200 teens will be in attendance.*

~ Pray that this retreat will be used of God to shape the minds & souls of these youth. ~

Two days a week François works closely with Brian within the context of ministering to those in the Verdun area. One third of Verdun are kids under the age of 18. What an opportunity! Last week God gave Francois the idea to see if he could reach teens at our kids' school. Lord willing we will meet with the school administrator this coming Thursday and see if we could offer free music & tutoring classes after class hours. *PRAY!!*

- ◇ The Monday night kids/parents club has increased from 28 to 34 people. **PTL!**
- ◇ **PTL** that Jonathan passed his driving test! Pray for our 3 “lads” as they travel to **NBBI**.
- ◇ We ask for wisdom as we meet this coming Monday with a French Pastor & determine how we could assist them as facilitators in their church planting endeavour.
